

Celebrate LUNA !!

CELEBRATE THE FULL MOON at **Jet Salon**, 3891 SW Hall Blvd in Beaverton, Oregon on **Friday, May 8 from 3-7 PM**. Astrologer, **Liz Howell** will be on hand to offer mini-astrological readings, LUNA Lessons and talk about the magical powers we are given during the full moon.

May's Full Moon, is best known as the **Full Flower Moon** in traditional folklore, named for the abundance of spring flowers at this time. It is also recognized in various cultures as the Moon by the name of Corn Planting, Hare, Budding, Milk, and in Hindu tradition, as Buddha Purnima.

Astrologically, we are all under the spell of this full moon in the sexy sign of Scorpio as it entwines itself with the sun traveling through earthly, sensual Taurus by way of dreamy, romantic Neptune. Come explore the potency of this Full Moon as well as the power of your own natal astrological Moon (the sign of the Moon under which you were born) as we **Celebrate Luna!**
